CLASSIFIEDS

(continued from page 4)

SCIENCE FICTION and Fantasy is the Literature of Tomorrow. We offer one of the largest selections of books available: over 1200 current titles, analyses, critiques, reference works, teaching aids, and more. We also carry over 50 F&SF recordings of stories by Asimov, Clarke, Ellison, and others. Many are read by the authors themselves, and others are narrated by William Shatner and Leonard Nimoy (Capt. Kirk and Mr. Spock of STAR TREK). We will accept any size order for any number of titles and copies. Discounts are available on quantity purchases. For our 48 page catalog and future mailings, send $.50 to: NOVA ENTERPRISES, P.O. Box 149, Brooklyn, NY 11204.
